NeurIPS 2026 Workshop on Trustworthy AI for Good (AI4GOOD)

Co-located with NeurIPS 2026

October 15, 2026

To Whom It May Concern,

This letter is to certify that **John Ogheneruese Fiewor** served as a Reviewer for submissions to the Workshop on Trustworthy AI for Good (AI4GOOD), to be held in Paris, France, co-located with NeurIPS 2026.

John Ogheneruese Fiewor contributed their time and expertise to evaluate submissions in the peer review process, helping ensure the quality and rigor of the work presented at the workshop. Their reviews were instrumental in upholding the scholarly standards of the workshop, a peer-reviewed venue dedicated to research on trustworthy AI systems applied to problems of social and humanitarian importance.
Their submitted review covered the following workshop submission:

- From Design Specification to Manipulative UI: Auditing Specification-to-Behavior Failures in Agentic UI Generation (Submission 250)

We gratefully acknowledge John's contribution to the success of the Workshop on Trustworthy AI for Good (AI4GOOD) and confirm that their service as a reviewer is recognized by the workshop organizing committee.

Sincerely,
AI4GOOD Program Chairs
